Dear Mr. Spence:

The Department has received your April 15, 2013, request for an extension of the deadline for submitting the renewal application for the referenced NPDES permit. The request for an extension of the application deadline is hereby granted. Please note that the Regulations Governing the Control of Water Pollution do not allow an extension of the application deadline beyond the expiration date of the current permit. Accordingly, the permit renewal application must be received on or before October 31, 2013.

Please call me at (302) 739-9946 if you have any questions.

Sincerely,
